AVOID THE NOISE. END THE DISTRACTION.

KEY FEATURES

- Dedicated mute/open listening mode
- Four microphone boom-less design
- Dual-Mode ANC
- Intuitive volume and music controls
- USB Bluetooth adapter with mute indicator

VOYAGER 8200 UC

Wherever work takes you, the Voyager 8200 UC Bluetooth® headset is ready to block out background noise so you can focus on your work, calls or playlist. With its contemporary, four mic boomless design, multi-device connectivity and active noise canceling (ANC), you can easily leave distractions behind.

TOP FEATURES

- Dual-paired omni-directional microphones with enhanced digital signal processing (DSP) optimise your voice while minimising background noise
- Best-in-class dual-mode ANC lets you choose your preferred noise-reduction level
- Dynamic mute alert detects and notifies you when you talk while on mute
- Smart sensors allow you to answer calls by simply putting on the headset and automatically mute your calls or pause your music by taking it off
- 3.5 mm cord extends your listening time and is optimal for in-flight use

VOYAGER 8200 UC
