

VidyoReplay™

Record and Webcast Video Conferences

VidyoReplay™ is a versatile appliance that makes it easy to record and webcast meetings that are powered by VidyoConferencing™, and you can do it all with one-click simplicity from the VidyoPortal™ client. Users can watch a conference from the convenience of their web browsers, in real-time or at any time after the conference.

With VidyoReplay, everyone can enjoy high quality video interaction and content sharing for an endless variety of recording applications, with the ability to record and replay guest lectures, training sessions, customer support alerts, company meetings, medical consultations, and more.

Key Features

Recording and Webcasting

- Initiate and control recording or webcasting from VidyoPortal
- Recording layout options include video/audio with or without content sharing, or audio with content sharing
- Optional PIN protection for webcasts and recorded content
- Visual indication of “Recording” status provided to all participants while content is being recorded
- “Pause” and continue recording without creating a new file
- Single-click connection to webcasts using host-provided hyperlinks
- Editable content using third-party video editing tools

Player and Library

- Easy access to webcast and recorded content via dedicated or hashed links
- Simple and searchable browser-based content management
- Add descriptive metadata to content in the management system
- Familiar browser-based viewing of recorded conferences – no dedicated client required

Flexible API

- Easy integration of content library with third-party Content Management Systems (CMS) and Content Delivery Networks (CDN)
- User interface branding and skinning

Ease of Management

- Administration, configuration and maintenance via browser-based VidyoPortal
- Recording profiles for simplified setup and consistent user experience
- Extend storage space with Networked Attached Storage (NAS) or other external storage devices
- Supports single- and multi-tenant environments

Ease of Deployment

- Host in public or private IP networks
- Supports Adaptive Video Layering™ for recorded participant streams, for great performance with no requirement for QoS-enhanced links
- View recordings via web browser and standard Flash player plug-in
- Secure media and signaling encryption option

Specifications

VidyoReplay™																																																																																	
Recorded File Format	Flash (FLV) formatted H.264																																																																																
Supported OS	Linux Ubuntu; Mac OS X v10.5, v10.6; Windows XP, Vista, 7; Android																																																																																
Browser Plug-In	Flash player 9.0 and above																																																																																
Browser Support	Apple Safari 3, 4, 5; Google Chrome; Microsoft IE 6, 7, 8; Mozilla Firefox 3																																																																																
Capacity	Max # of concurrent HD recording sessions: 5 Max # of concurrent SD recording sessions: 15 Max # of concurrent views: 300* Max amount of Stored HD content per VidyoReplay: 2500 hours																																																																																
Operating Environment	Operating Temperature Range: (for altitude ≤ 900m or 2952.75ft) 10° to 35°C (50° to 95°F) Non-Operating Temperature Range: -40° to 65°C (-40° to 149°F) Operating Humidity Range: 20% to 95% (non-condensing) Non-Operating Humidity Range: 5% to 95% (max. wet bulb temperature = 38°C (non-condensing))																																																																																
Dimensions (without ear and bezel)	Height: 1.69" (42.9mm), Width: 17.09" (434.0mm), Depth: 24.69" (627.1mm), Weight: 35.02lbs (15.9kg), Form Factor: 1U Rackmount																																																																																
Network Interface	2x RJ45 LAN ports – 100BASE-TX, and 1000BASE-T																																																																																
Power Supply	Input: 100-240VAC, 3.5A, 50-60Hz Output: 2x 500W Redundant (auto-ranging)																																																																																
System Input Requirements	1 AC Input Voltage: 100-240 VAC; Rated Input Current: 7.0A - 3.5A; Rated Input Frequency: 50-60Hz																																																																																
Regulatory	<p>Safety: EN 60950-1:2006 / IEC 60950-1:2005 ed2</p> <p>EMC: EN 55022:2006 +A1:2007 / CISPR 22:2005 +A1:2005 EN 55024:1998 +A1:2001 +A2:2003 / CISPR 24:1997 (modified) +A1:2001 +A2:2002 EN 61000-3-2:2006 / IEC 61000-3-2:2005 (Class D) EN 61000-3-3:1995 +A1:2001 +A2:2005 / IEC 61000-3-3:1994 +A1:2001 +A2:2005</p> <table border="0"> <tr> <td>Australia</td> <td>C-TICK</td> <td></td> <td>Class A</td> </tr> <tr> <td>Argentina</td> <td>IRAM</td> <td></td> <td></td> </tr> <tr> <td>Canada</td> <td>NRTL</td> <td>ICES</td> <td>Class A</td> </tr> <tr> <td>China</td> <td>CCC</td> <td></td> <td>Class A</td> </tr> <tr> <td>Croatia</td> <td>KONCAR</td> <td></td> <td>Class A</td> </tr> <tr> <td>European Union</td> <td>CE</td> <td></td> <td>Class A</td> </tr> <tr> <td>Germany</td> <td>TUV</td> <td></td> <td></td> </tr> <tr> <td>IECEE</td> <td>IECEE</td> <td>CB</td> <td></td> </tr> <tr> <td>Israel</td> <td>SII</td> <td></td> <td>Class A</td> </tr> <tr> <td>Japan</td> <td>VCCI</td> <td></td> <td>Class A</td> </tr> <tr> <td>Mexico</td> <td>NOM</td> <td></td> <td></td> </tr> <tr> <td>Moldova</td> <td>INSM</td> <td></td> <td>Class A</td> </tr> <tr> <td>Nigeria</td> <td>SONCAP</td> <td></td> <td></td> </tr> <tr> <td>Norway</td> <td>NEMKO</td> <td></td> <td>Class A</td> </tr> <tr> <td>Russia</td> <td>GOST</td> <td></td> <td>Class A</td> </tr> <tr> <td>South Africa</td> <td>NRCS</td> <td>SABS</td> <td>Class A</td> </tr> <tr> <td>South Korea</td> <td>KC</td> <td></td> <td>Class A</td> </tr> <tr> <td>Taiwan</td> <td>BSMI</td> <td></td> <td>Class A</td> </tr> <tr> <td>United States</td> <td>NRTL</td> <td>FCC</td> <td>Class A</td> </tr> <tr> <td>Vietnam</td> <td>ICT</td> <td></td> <td>Class A</td> </tr> </table>	Australia	C-TICK		Class A	Argentina	IRAM			Canada	NRTL	ICES	Class A	China	CCC		Class A	Croatia	KONCAR		Class A	European Union	CE		Class A	Germany	TUV			IECEE	IECEE	CB		Israel	SII		Class A	Japan	VCCI		Class A	Mexico	NOM			Moldova	INSM		Class A	Nigeria	SONCAP			Norway	NEMKO		Class A	Russia	GOST		Class A	South Africa	NRCS	SABS	Class A	South Korea	KC		Class A	Taiwan	BSMI		Class A	United States	NRTL	FCC	Class A	Vietnam	ICT		Class A
